

HOPE for Honduras!

The **LESLIE PRIDAYS**

THAT THEY MIGHT SET THEIR HOPE IN GOD
Psalm 78:7

Thursday, July 10, 2008

Dear Colaborers:

Thank you for your prayers and financial support. We praise the Lord for His watch care over us as we continue to travel. The end of May, we attended the **IBFI Fellowship and Missions' Seminar**. I was privileged to teach a class in it. Halbert and Edgar were able to attend **youth camp** with our home church in June. We have recently been in churches in Texas, Arizona, and on the Navajo Reservation. We were in three churches there and enjoyed fellowship with the Mark Haynes family as well. Right now we are visiting family in the state of Oregon. When we leave here we will be in a church in Colorado. Then we return to Texas and make the **final preparations for our return to Honduras**.

We are very excited about returning in less than a month, **August 6th**! The time has gone fast on furlough, yet at the same time it seems like we have been here a very long time. **God has blessed** in the churches' services and conferences. We ask you to please **pray** about some of the **special needs that we have to purchase and preparations to ship**. Some of them are a freezer, a portable sound system, an air compressor, a desktop computer, and an electric piano. We praise the Lord we were able to sell our minivan and put a down payment on a 2005 Ford Escape. We also need to raise funds for our return tickets. If your church could send us a **special offering**, it would be a great blessing to us!

Our home church will be having a special service for us on **August 3rd** before we leave. Maybe your church would like to designate that day as **PRIDAYS DAY** and have a time of special prayer for us and possibly receive a special offering. It would be **powerful** if many would join together that day in prayer for us and the ministries in Honduras. When we return, we will be starting a new mission work in a different area of our city and working with the Bible Institute. Two ladies from a church in Oregon are coming in September to work with us, one for 3 months. In December we will be having vacation Bible schools, and in February a ladies conference.

Please pray that God will call men to preach and serve Him in the churches we start. Also, please pray that **He will prepare hearts to receive His Word as we preach the Gospel** as Paul requested in Colossians 4:3-4. There is **much to do** in Honduras. We must *win souls, baptize converts, start and establish churches to disciple those converts, and train teachers and pastors for the churches*. As we return to the ministry there, please **pray** especially that the Lord will bless us and that we will see *many souls saved, baptized, disciplined, and trained to serve Him*. *We must do as much as we can as fast as we can as soon as we can, for the Lord is coming soon.*

Yours with Hope For Honduras,
