

Victory Baptist Church
Building Families by the Book

Dear Pastor,

As you well know, the coming of our Lord is “at the door” and we are running out of time to do the great work of missions. Honduras is a wide-open field and people are receptive to the Gospel. Leslie and Alba Priday and their two sons are working hard and seeing fruit to the glory of God.

I am writing in hopes that you might prayerfully consider having a part in this work. Their DVD presentation is among the best and will challenge your people for missions. Leslie is faithful, trustworthy and hard-working. I have been his pastor for 15 years and have visited them on the field on several occasions.

Leslie is also a good communicator and understands the importance of staying “connected” to his supporting churches. I have pastored for over 33 years and know the difficulty in making decisions regarding missionaries and support. The Leslie Priday family are worthy of any consideration you might give them.

If you need any further information, PLEASE do not hesitate to call me at 817-594-7421 at any time.

God bless you as you lead your church forward in this great work of reaching the world with the Gospel.

Respectfully and Sincerely Yours,

Dr. Charles W. Wetherbee
Pastor
